WELCOME

Welcome to Park Dental Care. Thank you for choosing us as your dental care provider. We are committed to your treatment being successful. Please understand that payment for your services is considered a part of your treatment. Payment is expected at the time services are rendered. Your clear understanding of our financial policy is important to our professional relationship. Please ask Mandy or Bobby if you have any questions about our fees or financial policy.

UCR

Park Dental Care is committed to providing the best treatment possible for our patients and we charge what is usual and customary for the Wheaton/Carol Stream area as determined by the majority of insurance carriers. You are responsible for payment regardless of any insurance company's determination of usual and customary rates unless otherwise dictated by a managed care contract.

INSURANCE

Insurance is a contract between you and your insurance company. We are not a party to this contract. As a courtesy to our families, we submit all claims to your primary insurance company and accept assignment of benefits. We obtain a verification of eligibility and an estimation of benefits from your insurance company. This is not a guarantee of payment; payment is determined upon receipt of the claim. Patients must pay their estimated portion at the time services are rendered. If your insurance company has not paid the full balance within 60 days, then the balance of your account will be transferred to your responsibility. Please be advised that your insurance company may consider some of the services we render "non-covered". You are personally responsible for payment of these non-covered services.

A 10% professional discount will be applied to patients without dental insurance paying in full at the time services are rendered.

Please call if your insurance changes so we can update our records for you.

MISSED APPOINTMENTS
